

REMARKS

The status identifier of claim 5 is amended to state "currently amended."

A new abstract with markings is submitted on a separate page. Applicants note that normally a new unmarked abstract is submitted on a separate page without markings to replace any previous abstract(s) if any. Because technically the abstract is not part of the application, adding markings to show changes made is not required and is also not common practice.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

Csaba Henter (Reg. No. 50,908)
